Note from the President

Spring is always a time for new beginnings or a fresh start. With all the economic bad news the media keeps putting out there it seems like it's time for a clean slate, something that offers looking ahead instead of backwards. I'm happy to say that within the Basehor Chamber we are thrilled about the new changes we're making. We are also excited about the changes we expect within our community over the next few years. With the opening and completion of our district's new schools, to the exciting incentives our City is creating to attract more residents and businesses, it's a really wonderful time to be in Basehor.

Stay tuned with us over the next few weeks as we plan on revamping our website to better market your business, participate in a joint marketing campaign with the City of Basehor to better promote our area and provide more opportunities for networking. Myself or any of our board members are always available to listen to any feedback or suggestions you may have, so please don't hesitate to contact us.

I look forward to seeing you at our March 18th meeting.

Aladdin Ashkar, President

Little Angel's Day Care

Dave and Connie Deladio

Dave and Connie are in their 15th year of operating Little Angel's Day Care, 11 years as owners. Since their expansion was completed a year ago they have increased their capacity to 160 youth and have a staff of 32 full and part time workers, including licensed nurses and accredited teachers.

They open at 6:00 a.m. to accommodate before-school children that are bused to area schools and stay open until 6:00 p.m.

They emphasize that their facility is more than a day care, it is a learning center. They are seeking accreditation from three different agencies, NAEYC, NACCP and NECPA.
